pH:	3.26
Residual Sugar:	3.8g/L
Alcohol:	11.9%
Best Drinking:	Now - 2011

Winemaker's Notes:

Sourced from low yielding vines, from Margaret River and Coonawarra, with hand picking at optimal ripeness has preserved the ripe tropical sweet fruit flavours with light herbaceous overtones. A subtle hint of spice rounds out this quality wine.

Enjoy with seafood, game and pasta.

Why the name 'Barking Mad'?

Some say it was inspired by the winery hound Tessa. Some say it reflects the winemaker's demeanour. Others say it relates to the price point of such a high quality wine.
