Acidity:	7.21g/L
pH:	3.21
Residual Sugar:	3.6g/L
Alcohol:	13.2%
Best Drinking:	Now –2022

### **Winemaker's Notes:**

Fresh apple like aromas mixed with hints of floral. Slightly minerally elements combined with citrus giving good structure and balance on the palate.

### **90 Points, 'Steven Tanzer's International Wine Cellar', Issue #140, Sept/Oct 2008**

"Pale gold. Intensely perfumed, complex bouquet of citrus, melon and floral scents underscored by dusty minerals. Juicy tangerine and floral honey flavors are braced by zesty lime pith and bitter quinine. The lime note repeats strongly on the strikingly pure and spicy finish."
