Winemaker's Notes:

Our sparkling Cuvee Blanc is sourced from Riesling fruit from our Watervale vineyard in the heart of the Clare Valley.

With a light fresh bead the wine shows lime, citrus flower with hints of honey and nectre. A delightful fresh lively wine to enjoy anytime!

**Introducing Tessa, Charlie and Rosie
~ a tribute to Reillys winery dogs past and present.**

The demeanour of these Dachshunds inspired the name 'Barking Mad' - in particular when the trucks pull into the winery laden with grapes ready to be crushed during vintage. By the end of a long hot vintage, the winery team are all Barking Mad too!
