| pH: | 3.26 |
| Residual Sugar: | 5.0g/l |
| Alcohol: | 12.5% |
| Best Drinking: | Now –2013 |

Winemaker's Notes:

Sourced from premium cool climate vineyards in the Adelaide Hills, this wine has fresh fragrant aromas of passionfruit and cut grass.

With flavours of gooseberries and ripe tropical fruits, this crisp herbaceous wine is best enjoyed slightly chilled.
