Winemaking & Viticulture |

Our dry grown vines are expertly managed to ensure low cropping at 1.5T/acre, with the challenging Tempranillo grape being one of the first of the vintage to ripen with low natural acidity.

The 2023 was picked at optimal ripeness with prolonged cold soaking prior to open fermentation. Hand plunging and gentle pressing has retained the fine fruit characters prior to 18 months maturation in French oak hogsheads.

Profile | Vanilla toffee, earthy tobacco, mocha, spiced confectionery, stewed cherries, soft tannins with lingering finish
