

Reillys

CLARE VALLEY

2016 Reillys Museum Release Watervale Riesling

Vineyards:	St Clare (Watervale)
Cropping:	1.6T / acre
Total Acidity:	6.4 g/L
pH:	2.91
Residual Sugar:	4.6 g/L
Alcohol:	12.5 %
Best Drinking:	Enjoy now or continue to cellar to 2026

WINEMAKERS NOTES

This wine is the fourth vintage release under our new Museum Release label, the first vintage being 2008. A premium parcel of our Watervale Riesling has been selected from prolonged bottle maturation and museum release.

Youthful characters of citrus zest and apple blossom are accompanied by subtle honey and textured mouthfeel. Perfectly balanced acidity allows further bottle maturation until 2026.
