Vineyards: St Clare, Leasingham

Acidity: 6.03g/l

pH: 3.32

Residual Sugar: 1.2g/l

Alcohol: 15.5%

Best Drinking: Now – 2032

Winemaker's Notes:

~First Vintage Release~

Parcels of Grenache, Shiraz and Mataro were co-fermented in small open vats with gentle hand plunging to avoid over extraction. Matured in French Oak hogsheads for 24 months.

Rich, full bodied with ripe dark fruit and spice.

A wine to be enjoyed over the next decade and beyond.
