Extraction:	50% free juice run only
Acidity:	7.0g/l
pH:	3.11
Residual Sugar:	1.6 g/l
Alcohol:	12.5%
Best Drinking:	Now – 2033

Winemaker's Notes:

From our vineyard in Watervale, premium Sangiovese and Shiraz have been blended to create this unique style of Rosè wine with lifted aromas of cherry, raspberry and spice.

The palate is fresh with a hint of crisp acid.

Enjoy chilled and in moderation.

Awards:

BRONZE MEDAL - Clare Valley Wine Show 2023
